

Remarks

This Amendment is in response to the Office Action dated **June 26, 2007**. The Office Action required Applicants to elect a single disclosed species for further prosecution under 35 USC § 121. Applicants elect to further prosecute the species disclosed by FIGs. 1-2 designated by the Office Action as Species I. Applicant believes that at least claims 1-36 are readable on elected Species I.

Applicants note however that in addition to those species identified in the Office Action as corresponding to specific figures depicted in the Application, additional species may exist which are described in the specification and claims and which are not subject to the restriction requirement identified by the Office Action.

As a result of this election, Applicant believes that this application is now in a condition for allowance. Favorable consideration and prompt allowance these claims are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in better condition for allowance, Examiner is invited to contact Applicant's undersigned representative at the telephone number listed below.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
